- Heroku
- Firebase
- Jira
- Docker
- AWS
- Microservices
- Agile Methodologies
- Version Control with Git and Github.
- Test-Driven Development.
- Grammarly
- SEO
- Google Analytics
- E-commerce

## PROJECTS:

### **StarWars App:**

A single page application (SPA) showing all characters of the Star Wars Movie. Built with Vanilla JavaScript, HTML5 and CSS3.

**Technologies Used** – HTML5, CSS3 and JavaScript.

**Category** - Personal Project

**Link:** <https://alexander-ekeh.netlify.app/>

### **Bank Transaction App V1:**

This application handles the transfer of funds between two account holders: the sender and the receiver.

**Technologies Used** – Node.js, Express and Typescript.

**Category** - Personal Project

**Link:** <https://alexbankapp-v1.herokuapp.com/>

### **Bank Transaction App V2:**

This application handles the transfer of funds between two account holders: the sender and receiver account.

**Technologies Used** – MongoDB, Node.js, Express.js and Typescript.

**Category** - Personal Project

**Link:** <https://github.com/AlexEkeh/Bank-Transaction-App-V2.0>

### **Job Search Application:**

This is a Decagon Group project handled by a team of highly skilled and motivated individuals which I am privileged to be part of.

The application enables Job seekers to search for available jobs when they visit the application. It's a simulation of a real website if hosted on a paid platform.

**Category** - Group Project

**Technologies Used** – HTML5, CSS3, Bootstrap, JavaScript and React.

**Link:** <https://github.com/AlexEkeh/Job-Search-Application>

**IT Services Application (On-going)**

This is a Decagon Live group project currently being built by a team of highly-skilled and experience developers which am privileged to be part of. This is a web-based application that gives clients a plethora of options when seeking for a particular IT product and service.

**Category** - Group Project

**Technologies Used** – HTML5, CSS3, JavaScript, React, MongoDB, Typescript, and Express Framework.

**EDUCATION**

**Nnamdi Azikiwe University** — B.sc

OCTOBER 2007 - JULY 2011

Second Class Upper - Bachelor of Science Degree in Computer Science from Nnamdi Azikiwe University, Awka, Anambra State, Nigeria.
